

A. Open NextVis (NVO) Stencils in Visio Drawing

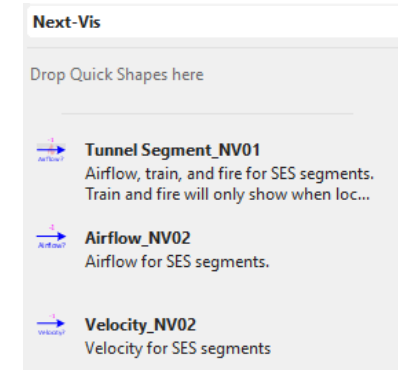

1. In Stencils, click “More Shapes” than Open Stencil.

2. Find “NextVis_Stencils_1p10.vssx”

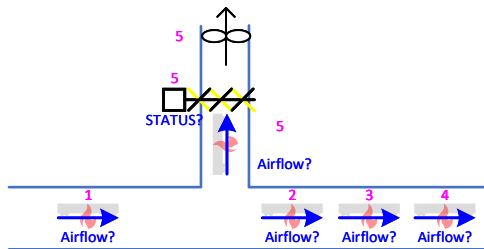

3. Stencil opens

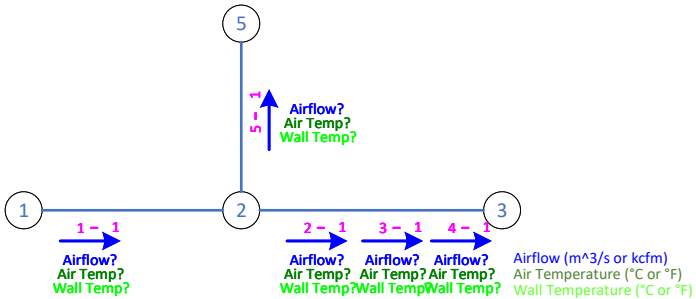

B. Sample diagrams for inferno samples from SES 4.1 or 6.0

Flow Diagram

Network Diagram with temperatures

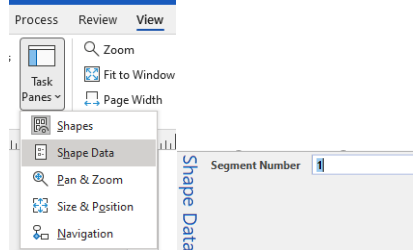

Sim_Info_NV01 from Stencil

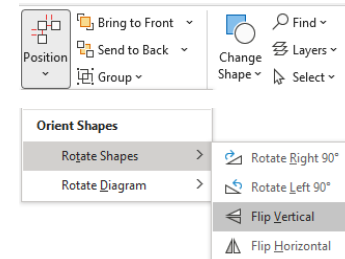

SES Name:	Filename
File Time:	YYYY-MM-DD, HH:MM:SS
SES Time (Sec):	###.##

C. Edit stencils

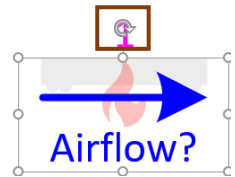

View>Task Planes>Shape Data

Home>Arrange>Position >Rotate shapes

Or just rotate

D. Use Layers to change colors or hide data, like Segment ID.
